Attention: York Region Accessibility Advisory Committee

Please find enclosed a copy of the Town of Georgina's first annual Accessibility Plan. With the co-operation and assistance of the Town, the Georgina Accessibility Advisory Committee (GAAC) has made a concerted effort to ensure that the requirements of the ODA are met, within our jurisdiction.

The GAAC acknowledges that the York Region Accessibility Plan covers responsibilities for regional services that are outside the mandate of the GAAC although, development and implementation of the York Region Accessibility Plan has a direct impact on the citizens of the Town of Georgina. Our committee would like to invite you to help us ensure that the citizens of Georgina are kept well informed through open communication between our respective Accessibility Advisory Committees as the ODA is implemented in our community.

The GAAC asks that you relay information on specific types of services that York Region provides to our committee through Roland Chenier, Town Clerk and staff representative on the GAAC. Roland can be reached at 905-476-4301 ext 223 or by email at rchenier@town.georgina.on.ca. This will certainly assist us in creating an efficient and effective process to deliver accessible services and programs throughout our widespread community. GAAC would also ask that you identify a contact person(s) should there be any questions or concerns or require information.

The GAAC looks forward to hearing from you.

Sincerely,

Ben Caron,
Chairperson for The Georgina Accessibility Advisory Committee
