

THE REGIONAL MUNICIPALITY OF YORK

BILL NO. 47

BY-LAW NO. 2009-46

To authorize the borrowing of the aggregate of the principal amounts authorized by By-laws Nos. 2009-44 and 2009-45 in the aggregate principal amount of \$200,000,000.00 (\$117,000,000.00 of which amount may be raised by the issue of refinancing debentures on or before the maturity date) and the issuing of one series of sinking fund debentures therefor

WHEREAS the *Municipal Act, 2001*, as amended (the “**Act**”) provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

AND WHEREAS the Act provides that if a municipality intends to incur debt for two or more purposes, or if it has passed separate debenture by-laws authorizing borrowing for two or more purposes but has not sold any of the debentures, the municipality may by by-law provide for the issue of one series of debentures for the debt;

AND WHEREAS the Council of The Regional Municipality of York (the “**Upper-tier Municipality**”) has passed debenture by-laws as follows:

- (a) By-law No. 2009-44: to authorize the borrowing upon sinking fund debentures in the principal amount of \$187,600,000.00 (\$109,204,000.00 of which amount may be raised by the issue of refinancing debentures on or before the maturity date) for the purposes of the Upper-tier Municipality; and
- (b) By-law No. 2009-45: authorize the borrowing upon sinking fund debentures in the principal amount of \$12,400,000.00 (\$7,796,000.00 of which amount may be raised by the issue of refinancing debentures on or before the maturity date) for a purpose of The Corporation of the Town of Newmarket;

both of which by-laws are hereinafter referred to as the “**Debenture By-laws**”;

AND WHEREAS the Act also provides that all debentures issued under a by-law passed by a regional municipality for its own purposes are direct, joint and several obligations of the regional municipality and its lower-tier municipalities;

AND WHEREAS the Act also provides that a municipality shall authorize long term borrowing by the issue of debentures or through another municipality under section 403 or 404 of the Act and subsection 403(7) of the Act provides that all debentures issued under a by-law passed by an upper-tier municipality under section 403 of the Act are direct, joint and several obligations of the upper-tier municipality and its lower-tier municipalities;

AND WHEREAS subsection 408(4) (a) of the Act provides that a debenture by-law, shall provide for raising in each year as part of the general upper-tier levy the amounts of principal and interest payable in each year under the by-law to the extent that the amounts have not been provided for by other taxes or by fees or charges imposed on persons or property by a by-law of any municipality and subsections 408(4)(b) and (c) provide that a debenture by-law shall include provisions that contemplate the payment of principal and interest in each year. Subsection 408(5) of the Act further provides that the total amount of principal and interest that must be raised in a year under subsection 408(4)(a) of the Act does not include any outstanding amount of principal specified as payable on the maturity date of a debenture if one or more refinancing debentures are issued by the municipality on or before the maturity date in respect of the outstanding principal. Subsection 409(1)(a) of the Act provides that a municipality may provide in a debenture by-law that all or a portion of the debentures are sinking fund debentures which have the principal payable on a fixed date and subsection 409(2) of the Act provides that a by-law passed under section 409 of the Act shall provide for an estimated amount in each year for the sinking fund which, with interest compounded annually, will be sufficient to pay the principal of the debentures at maturity. Subsection 409(3) of the Act provides that an amount required to be provided in a year under subsection 409(2) of the Act shall be deemed to be an amount of principal payable to the lender in the year for the purposes of subsection 408(4)(a) of the Act (as well as of other subsections of the Act);

AND WHEREAS on April 29, 2009 the Upper-tier Municipality issued one series of sinking fund debentures in the aggregate principal amount of \$200,000,000.00 (\$122,000,000.00 of which amount may be raised by the issue of refinancing debentures, as set out in the respective Column (7) of Schedules "A" to the Debenture By-laws, on or before the maturity date, in consultation with The Corporation of the Town of Newmarket (the "**Lower-tier Municipality**") in respect of the debentures issued for a purpose of the Lower-tier Municipality) consolidated by debenture By-law No. 2009 - 22 and such by-law provides that the Upper-tier Municipality reserves the right to issue additional debentures of the same maturity, interest rate and terms and conditions;

AND WHEREAS the total of the principal amounts of additional sinking fund debentures authorized to be borrowed by the Debenture By-laws is the aggregate principal amount of \$200,000,000.00 (\$117,000,000.00 of which amount may be raised by the issue of refinancing debentures, as set out in the respective Column (7) of Schedules "A" to the Debenture By-laws, on or before the maturity date, in consultation with the Lower-tier Municipality in respect of the debentures issued for a purpose of the Lower-tier Municipality) and it is desirable to consolidate the said amounts into one aggregate principal amount of \$200,000,000.00 (\$117,000,000.00 of which amount may be raised by the issue of refinancing debentures, as set out in the respective Column (7) of Schedules "A" to the Debenture By-laws, on or before the maturity date, in consultation with the Lower-tier Municipality in respect of the debentures issued for a purpose of the Lower-tier Municipality) repayable in accordance with Schedule "A" attached hereto and forming part of this By-law ("**Schedule A**"), as agreed to by the Upper-tier Municipality on October 7, 2009 and the Upper-tier Municipality has agreed to issue one series of debentures therefor.

NOW THEREFORE THE COUNCIL OF THE REGIONAL MUNICIPALITY OF YORK ENACTS AS FOLLOWS:

1. For the respective purposes set out in Schedules “A” to the Debenture By-laws (individually a “**Capital Work**”, collectively the “**Capital Works**”), the borrowing upon the credit of the Upper-tier Municipality at large of the aggregate principal amount of \$200,000,000.00 (\$117,000,000.00 of which amount may be raised by the issue of refinancing debentures, as set out in the respective Column (7) of Schedules “A” to the Debenture By-laws, on or before the maturity date, in consultation with the Lower-tier Municipality in respect of the debentures issued for the purposes of the Lower-tier Municipality) and the issue of additional sinking fund debentures therefor as one series of sinking fund debentures in minimum denominations of \$1,000.00, as hereinafter set forth, are hereby authorized.

2. The Regional Chair and the Commissioner of Finance and Treasurer of the Upper-tier Municipality are hereby authorized to cause any number of sinking fund debentures in the aggregate principal amount of \$200,000,000.00 (\$117,000,000.00 of which amount may be raised by the issue of refinancing debentures, as set out in the respective Column (7) of Schedules “A” to the Debenture By-laws, on or before the maturity date, in consultation with the Lower-tier Municipality in respect of the debentures issued for a purpose of the Lower-tier Municipality), as described in section 1 above, (the “**Debentures**”) payable on April 29, 2019 to be issued for such amounts of money as may be required for the Capital Works in global and definitive forms, not exceeding in total the said aggregate principal amount of \$200,000,000.00. The Debentures shall bear the Upper-tier Municipality’s municipal seal and the signatures of the Regional Chair and of the Commissioner of Finance and Treasurer of the Upper-tier Municipality, all in accordance with the provisions of the Act. The municipal seal of the Upper-tier Municipality and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Debentures shall initially be issued in global fully registered form as five certificates, each in the principal amount of \$40,000,000.00 (in the aggregate principal amount of \$200,000,000.00), each substantially in the form attached as Schedule “B” hereto and forming part of this By-law (the “**Global Debentures**”). The Global Debentures shall initially be issued in the name of CDS & CO. as nominee of CDS Clearing and Depository Services Inc. (“**CDS**”), and each shall provide for payment of interest and of principal at maturity, made electronically in final and irrevocable same-day funds in accordance with the applicable requirements of CDS, so long as the Global Debentures are held by CDS.

3. (1) The Debentures shall all be dated the 29th day of October, 2009, and as to both principal and interest shall be expressed and be payable in lawful money of Canada. The Debentures shall be issued for a term of approximately 10 years bearing interest at the rate of 5.00% per annum and shall be payable on the 29th day of April, 2019 and in each year during such period, the amount of \$5,000,000.00 shall be payable for interest on the Debentures on each of April 29 and October 29 (commencing on April 29, 2010) and the amount of \$7,240,132.04 shall be deposited on or before April 29 (commencing on April 29, 2010) by the Commissioner of Finance and Treasurer of the Upper-tier Municipality, or an authorized official of the Upper-tier Municipality, into a sinking fund (the “**Sinking Fund**”),

which amount, with interest compounded annually, will be sufficient to pay at maturity (April 29, 2019) the principal of the Debentures, subject to the ability of the Upper-tier Municipality to issue refinancing debentures for a further term of up to 10 years in accordance with the Act. The annual contribution to the Sinking Fund takes into account the Upper-tier Municipality's ability to issue refinancing debentures in respect of the outstanding principal in accordance with the provisions of the Act.

(2) Of the principal amount of \$200,000,000.00 that matures in respect of the Debentures on April 29, 2019, the principal amount of \$117,000,000.00 payable thereunder may be raised by the issue of refinancing debentures over a further period not to exceed 10 years (20 years being the maximum period of years for the repayment of the debt for which the Debentures will be issued), and upon such terms not contrary thereto as shall be determined by the Council of the Upper-tier Municipality, in consultation with the Lower-tier Municipality in respect of the debentures issued for a purpose of the Lower-tier Municipality.

(3) Payments in respect of contributions to the Sinking Fund as well as principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario, are not authorized or obligated by law or executive order to be closed (a "**Business Day**") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.

4. Interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the Upper-tier Municipality as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of interest in respect of the Debentures for a period of less than one full year, other than with respect to regular interest payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days or 366 days, if applicable.

5. In limited circumstances (as agreed to by both the Upper-tier Municipality and CDS) the Global Debentures shall be exchangeable for certificated Debentures in definitive fully registered form in authorized denominations upon surrender of the Global Debentures to the Commissioner of Finance and Treasurer of the Upper-tier Municipality. The definitive Debentures shall aggregate the same principal amount as the principal outstanding balance of the Global Debentures as of the record date for such exchange in accordance with the provisions of the Global Debentures, shall bear the same interest rate and maturity date, shall bear all unmaturing interest obligations and shall have the same benefits and be subject to the same terms and conditions as the Global Debentures (except insofar as they specifically relate to the Global Debentures). In issuing definitive Debentures no change shall be made in the amount which would otherwise be payable in each year under the Global Debentures. The definitive Debentures shall be in fully registered form, payable as to principal and outstanding interest in lawful money of Canada at maturity upon presentation and surrender thereof at any specified branch in Canada of the Upper-tier Municipality's bank designated in the definitive Debentures, otherwise, with provision for payment of interest electronically in final and irrevocable same-day funds.

6. (1) In respect of the Debentures, there shall be raised in each year during the currency of the Debentures as part of the general upper-tier levy the amount of \$5,000,000.00 payable for interest on the Debentures on each of April 29 and October 29 (commencing on April 29, 2010) and the amount of \$7,240,132.04 for deposit into the Sinking Fund on or before April 29 (commencing on April 29, 2010) for the payment at maturity (April 29, 2019) of the principal of the Debentures in respect of which no refinancing debentures may be issued by the Upper-tier Municipality on or before such maturity date. In each such year, for the Capital Works, the said two amounts shall be raised as part of the general upper-tier levy to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality. The total amount of the contribution to the Sinking Fund and interest that must be raised in each such year does not include any contribution to the Sinking Fund in respect of the refinancing debentures that the Upper-tier Municipality is authorized to issue on or before the maturity date of the Debentures, in accordance with the provisions of the Act. Without limiting the generality of the foregoing, the lower-tier municipalities that comprise the Upper-tier Municipality shall pay in accordance with By-law No. 2009-44 and the Lower-tier Municipality shall pay to the Upper-tier Municipality in accordance with By-law No. 2009-45 the amounts payable for interest and the amounts payable for deposit into the Sinking Fund for the payment at maturity of the principal of the Debentures in respect of which no refinancing debentures may be issued by the Upper-tier Municipality on or before such maturity date. The Upper-tier Municipality shall pay to the registered holders of the Debentures the amounts payable in each year for interest and the amount of the principal of the Debentures payable at maturity in respect of the Debentures by such entities as set out in the Debenture By-laws and the amounts to be raised by levy each year pursuant to the Debenture By-laws shall be raised and collected and such amounts shall be applied to such amounts payable in the respective year in respect of the Debentures to be issued under this By-Law in accordance with the Debenture By-laws and the Act.

(2) If any Lower-tier Municipality fails to make any payment or portion of it as provided in this By-law, such Lower-tier Municipality shall pay interest to the Upper-tier Municipality on the amount in default at the rate of 15% per annum, from the date the payment is due until it is made.

(3) There shall be raised, pursuant to this By-law, in each year of the currency of the Debentures, as part of the general upper-tier levy, the amounts required to be paid to the Upper-tier Municipality in any previous year by any one or more of the Lower-tier Municipalities to the extent that the amounts have not been paid to the Upper-tier Municipality in accordance with this By-law and the Act.

7. The Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.

8. The Upper-tier Municipality shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellations, exchanges, substitutions and transfers of Debentures may be recorded and the Upper-tier

Municipality is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.

9. The Upper-tier Municipality shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The Upper-tier Municipality shall deem and treat registered holders of the Debentures, including the Global Debentures, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the Upper-tier Municipality on the Debentures to the extent of the amount or amounts so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the Upper-tier Municipality. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the Upper-tier Municipality.

10. The Debentures are transferable or exchangeable at the office of the Commissioner of Finance and Treasurer of the Upper-tier Municipality upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the Upper-tier Municipality and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Regional Chair and the Commissioner of Finance and Treasurer shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount in any authorized denomination or denominations as directed by the transferee, in the case of a transfer or as directed by the registered holder in the case of an exchange.

11. The Regional Chair and the Commissioner of Finance and Treasurer shall issue and deliver new Debentures in exchange or substitution for Debentures outstanding on the registry with the same maturity date and of like form which have become defaced, lost, mysteriously or unexplainably disappeared, stolen, destroyed or other instances, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case a Debenture is defaced, lost, mysteriously or unexplainably disappeared, stolen, destroyed or other instances) furnished the Upper-tier Municipality with such evidence (including evidence as to the certificate number of the Debenture in question) and indemnity in respect thereof satisfactory to the Upper-tier Municipality in its discretion; and (c) surrendered to the Upper-tier Municipality any defaced Debenture in respect of which new Debentures are to be issued in substitution.

12. The Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity date and, subject to the provisions of this By-law,

shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.

13. The cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the Upper-tier Municipality. When any of the Debentures are surrendered for transfer or exchange the Commissioner of Finance and Treasurer of the Upper-tier Municipality shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; and (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange.

14. Subject to an agreement that the Upper-tier Municipality may enter into to the contrary, reasonable fees may be imposed by the Upper-tier Municipality for the substitution of a new Debenture or new Debentures for any of the Debentures that are defaced, lost, mysteriously or unexplainably disappeared, stolen, destroyed or other instances and for the replacement of any of the interest cheques that are defaced, lost, mysteriously or unexplainably disappeared, stolen, destroyed or other instances. Where new Debentures are issued in substitution in these circumstances the Upper-tier Municipality shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided.

15. Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.

16. (1) The execution of a purchase letter in respect of the Debentures, dated as at October 7, 2009, by the Director of Policy, Risk and Treasury is hereby ratified, confirmed and approved, the Regional Chair and the Commissioner of Finance and Treasurer are hereby authorized to cause the Debentures to be issued, the Commissioner of Finance and Treasurer and the Regional Clerk are hereby individually authorized to generally do all things and to execute all other documents and papers in the name of the Upper-tier Municipality in order to carry out the sale of the Debentures and the Commissioner of Finance and Treasurer is authorized to affix the Upper-tier Municipality's municipal seal to any of such documents and papers.

(2) The money received by the Upper-tier Municipality and by the Lower-tier Municipality from the sale of the Debentures, including any premium, and any earnings derived from the investment of that money, shall be apportioned and applied to the Capital Works, and to no other purpose except as permitted by the Act.

17. The Upper-tier Municipality reserves the right to issue additional sinking fund debentures of the same maturity, interest rate and terms and conditions.

18. Subject to the Upper-tier Municipality's investment policies and goals and the applicable legislation, the Upper-tier Municipality may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the Upper-tier Municipality may in its discretion determine.

ENACTED AND PASSED this 22nd day of October, 2009.

LEGAL OPINION

We have examined the Debenture By-law of the Issuer authorizing the issue of sinking fund debentures in the aggregate principal amount of \$200,000,000.00 dated October 29, 2009 and maturing on April 29, 2019.

The Debenture By-law has been properly passed and is within the legal powers of the Issuer. The five global sinking fund debentures issued under the Debenture By-law in the within form (the “**Global Debentures**”) are direct, general, unsubordinated, joint and several obligations of the Issuer and of its lower-tier municipalities (the “**Lower-tier Municipalities**”). The Global Debentures are enforceable against the Issuer and the Lower-tier Municipalities subject to the special jurisdiction and powers of the Ontario Municipal Board over defaulting municipalities under the *Municipal Affairs Act*, as amended. This opinion is subject to and incorporates all the assumptions, qualifications and limitations set out in our opinion letter delivered on the date of the Global Debentures.

Toronto, October 29, 2009

BORDEN LADNER GERVAIS LLP

19. Each Debenture executed and delivered upon any registration of transfer or exchange for or in substitution for any Debenture or part thereof shall carry all the rights to interest, if any, accrued and unpaid which were carried by such Debenture or part thereof and shall be so dated.

20. The Issuer shall not impose any fees in respect of the Debentures, in the normal course of business, other than reasonable fees for the issue of new Debentures or for the issue of new cheques in substitution for Debentures that are defaced, lost, mysteriously or unexplainably disappeared, stolen, destroyed or other instances, or interest cheques in such events.
