AMENDMENT 3
TO THE OFFICIAL PLAN
FOR
THE REGIONAL MUNICIPALITY OF YORK

PART A - THE PREAMBLE

1. Purpose of the Amendment:

This Amendment expands the Urban Area of the Town of Markham to provide opportunities for urban growth to the year 2031.

2. Location:

This urban expansion is within the Town of Markham as shown on attached Figures 1 to 8, being excerpts from Maps 1 to 6, Maps 8 and 11 of the York Region Official Plan – December 2009.

3. Basis:

Places to Grow, The Growth Plan for the Greater Golden Horseshoe requires that Regional population and employment forecasts prescribed through Schedule 3 to the Growth Plan be allocated to local municipalities. Further the Growth Plan requires that comprehensive municipal reviews undertake land budget analysis to justify urban expansions.

Regional population and employment forecasts and land budget was received and endorsed by Regional Council in January 2009 and population and employment forecasts were confirmed when the Draft York Regional Official Plan was released for public review and comment in June 2009.

The updated York Region Official Plan was adopted in December 2009 with Table 1 to the Plan identifying the population and employment forecasts to 2031 allocated to local municipalities.

A refined Regional land budget analysis, endorsed by Regional Council in March 2010, has resulted from ongoing discussions with local municipalities regarding land supply, the reduction in the total employment numbers to 780,000 and refinement of land take-outs for environmental features and non-developable lands within white belt areas. Further, urban expansion is not permitted into either the Protected Countryside of the Greenbelt Plan Area or into the Oak Ridges Moraine Conservation Plan Area.

The land budget analysis has indicated that additional urban land designations are required in each white belt community to meet the 2031 growth forecasts.

The Ministry of Municipal Affairs and Housing has advised that that designation of proposed urban expansions in the white belt communities requires a public review and amendment process separate from the Official Plan.

This Proposed Amendment provides for identification of an urban expansion area in the Town of Markham consistent with the growth management work undertaken by the Region and the Town of Markham and a policy that identifies the requirement to remove or amend Minister's Zoning Order 104/72 before development is approved in the portion of the urban expansion lands subject to the Ministers Zoning Order.

PART B - THE AMENDMENT

All of the Amendment entitled PART B - THE AMENDMENT, consisting of the attached Figures 1 to 9 being excerpts from Maps 1 to 6, Map 8, and Maps 11 and 12 of the York Region Official Plan – December 2009, constitutes Amendment 3 to the Official Plan for the Region of York.

The Official Plan for the Region of York is hereby amended by the following:

1. The addition of a new Policy 7.2.89 as follows, with renumbering of subsequent policies:
 "7.2.89 That within the portion of the urban expansion area in the Town of Markham subject to Minister's Zoning Order 104/72, development shall not be approved until the Minister's Zoning Order has been removed from the lands or amended to permit the proposed development."
