To all Ontario Municipalities:

RE: ONTARIANS WITH DISABILITIES ACT SPECIAL FUNDING

This is to advise you that the Council of The Corporation of the City of Cornwall, at its regular meeting of Monday, July 12, 2004, endorsed a Resolution regarding special funding for the Ontarians with Disabilities Act. The said Resolution is enclosed for your reference.

As you are aware, the Ontarians with Disabilities Act was introduced in 2001 and all municipalities were required to prepare, on an annual basis, an Accessibility Plan which addresses, identifies and, where possible, removes all barriers to people with disabilities. The Act also legislates municipalities to appoint Committees which may include municipal staff as resource personnel to help with the Plan process. Council respectfully submits that the legislation does not include any standard or guideline to be followed yet enforces municipalities to conduct whatever work is required to address all barriers within its municipal Assets.

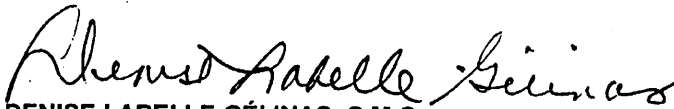

Due to the diverse disabilities of our Committee Members, it has been recognized, due to the amount of work involved, that there is a need for the municipality to identify a municipal coordinator whose specific task is to help and coordinate the Committee's requirements under the legislation. There presently is no provision of any funding to municipalities in order to accomplish its task.

The Corporation of the City of Cornwall hereby requests all municipalities in joining in lobbying the Province of Ontario and the Association of Municipalities of Ontario to provide for Special Funding that will help municipalities to employ the staff needed to coordinate the Committee's requirements under the legislation and to set, as soon as possible, reasonable standards and guidelines for the advancement of the Ontarians with Disabilities Act and that these standards and guidelines be consistent throughout the Province.

Thank you for your attention to this matter and we look forward to hearing from you.

Respectfully,

THE CORPORATION OF THE CITY OF CORNWALL
