Toronto, ON M4V 1L5

Re: Ministry of the Environment Issuance of the Notice of Completion of the Ministry Review for the Durham and York Residual Waste Study Amended Environmental Assessment

Oshawa City Council considered the above matter at a meeting held March 8, 2010 and adopted the following resolution:

"That the Ministry of the Environment be advised in respect to its review of the Durham and York Residual Waste Study Amended Environmental Assessment:

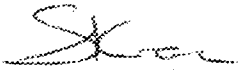

1. That the City of Oshawa continues to oppose the construction of an Energy From Waste (incinerator) Facility in the Municipality of Clarington; and
2. That the City of Oshawa considers the Environmental Assessment Review process and public consultation to be insufficient to support such a project; and
3. That the City of Oshawa urges the Ministry to:
 - a) Reject the Environmental Assessment application, or
 - b) Failing that decision, to require the Region of Durham to redo the Environmental Assessment process by looking at all options beyond incineration and to ensure full and effective public consultation in all member municipalities in the Region of Durham; and

That copies of the resolution be sent to the Regions of Durham and York, their member municipalities, their MPs and MPPs and to the leaders of the political parties in the Ontario Legislature and Canadian Parliament."

By copy of this letter I am advising the parties noted in the resolution of Oshawa Council's decision.

Your consideration of this important issue is appreciated.

If you need further assistance, please contact our City Manager's Office at the address listed below, or by telephone at 905-436-5622.

Sandra Kranc
City Clerk
