Mr. Bill Fisch
Chair
Regional Municipality of York
17250 Yonge Street
Newmarket ON L3Y 6Z1

Dear Chair Fisch:

As part of the 2008 Ontario Budget, the McGuinty government announced a \$100-million investment to kick-start our new poverty-reduction strategy.

Under this initiative, I am pleased to advise you that Regional Municipality of York has been authorized to receive a grant of \$2,676,123. These funds are to be used for financing capital repairs to the social-housing properties in your portfolio or social-housing renewal, including energy-efficiency improvements. Service Managers would be able to leverage additional financing from private lenders or OSIFA loans from Infrastructure Ontario.

The approved funds will be transferred to you by June 30, 2008, at which time ministry staff will also provide details on reporting requirements and other accountability-related requirements.

As a minimum, these requirements will include a description of the types of eligible expenditures for which the funding is intended and a final report on how the funds were used. In addition, the Province reserves the right to conduct an audit to ensure that the funds were used for eligible expenditures and the purposes intended. We also reserve the right to recover funds if we determine that they have not been used, or will not be used, for the intended purposes.

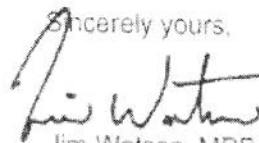

Please acknowledge your receipt of this letter by signing and returning the enclosed duplicate copy of this letter by April 30, 2008 to the following address to initiate payment processing:
