To: Accessibility Advisory Committees:

The Accessibility Advisory Committee for the Town of Whitchurch Stouffville would like to invite you to a Breakfast Meeting in Stouffville on May 12th from 8:00 to 11:00 a.m. This will be held in our new facility the Lebovic Centre for Arts & Entertainment – *Nineteen on the Park*. A map will be included to guide you to the parking.

It has been a very long time since we have come together as a group to share ideas and to promote what is happening in our communities. Some suggestions for the program are:

- 1) Integrated programs
- 2) Working with local businesses to encourage accessibility
- 3) How the new legislation under the AODA is being handled in each of our Towns.

If you have some other suggestions for the program or know of an excellent speaker please give me a call or email with the information heatherandrews@rogers.com or 905 640 – 3185.

Please pass this invitation on to all the members of your Accessibility Committee. It would be appreciated if we could have an RSVP by May 5th so we can do the planning for the meal. Use the above information to respond.

We would like to put together contact information from each of the AAC's so we can interact directly.

Look forward to seeing everyone in May.
