

## MEMORANDUM

TO: Regional Accessibility Advisory Committee

FROM: Sharon Doyle, Manager Mobility Plus

DATE: Wednesday, April 29, 2010

RE: **Mobility Plus Public Information Sessions Update**

---

Mobility Plus knows that its success relies on its ability to meet the needs of each individual customer. One of Mobility Plus' 2010 work initiatives was to share information and solicit feedback from the public by holding information sessions in each of the nine municipalities. This memo is to update the Region's Accessibility Advisory Committee of our progress to date.

A letter titled "Improving Our Services with You" was sent to all of the local AAC's on March 11, 2010 asking for their support in this endeavour and for feedback regarding a venue location in their municipality.

Mobility Plus purposely tried to stay away from the summer months and was cognizant of the upcoming municipal election in October.

Below is the listing as of April 14, 2010:

|              |                        |                                  |
|--------------|------------------------|----------------------------------|
| May 31       | Markham                | Town of Markham-Canada Room      |
| June 2       | Vaughan                | Vellore Village Community Centre |
| June 3       | Aurora                 | Aurora Library                   |
| June 15      | Georgina               | Ice Palace                       |
| June 22      | King                   | Nobleton Community Centre        |
| September 8  | East Gwillimbury       | Council Chambers                 |
| September 14 | Newmarket              | Council Chambers                 |
| September 16 | Whitchurch/Stouffville | Nineteen on the Park             |
| September 21 | Richmond Hill          | Council Chambers                 |
| September 28 | York Region            | Seminar Room                     |

Mobility Plus will continue to update this Committee and appreciate the support we receive from you.
