Dear Ms. Sisavang:

**Re: Application by T&T Supermarket Inc.
Tourism Exemption under *Retail Business Holidays Act*
8339 Kennedy Road, Markham, Ontario (the "T&T Supermarket Inc. Site")**

We are legal counsel to T&T Supermarket Inc. (the "Applicant"), owner of 8339 Kennedy Road, Markham (the "Site"), in its application for exemption under the *Retail Business Holidays Act*, R.S.O. 1990, C. R.30.

It is our submission that the Site properly fulfills the criteria for exemption as set out under subsections 2(1) and 2(3) of O. Reg. 711/91 made pursuant to the *Retail Business Holidays Act*:

2. (1) A retail business establishment may be exempted if,
 - (a) it is located within two kilometres of a tourist attraction; and
 - (b) it is directly associated with the tourist attraction or relies on tourists visiting the attraction for business on a holiday.

...
- (3) For the purposes of this section, a tourist attraction is limited to,
 - (a) natural attractions or outdoor recreational attractions;
 - (b) historical attractions; and
 - (c) cultural, multi-cultural or educational attractions. (emphasis added)

In particular, the Site is located exactly 1 kilometre from Main Street Unionville, which was an area exempted from the *Retail Business Holidays Act* by operation of Region of York By-law No. L.I.-8(a)-95-128. In this regard, please find attached a Google Map image showing the distance between the Site and Main Street Unionville as 1.0 km. The Site directly accessible from Kennedy Road which is one of the main arterials to reach Main Street Unionville. Invariably, tourist traffic will undoubtedly access Kennedy Road to reach or exit from Main Street Unionville if travelling to southeast of the tourist area.

Main Street Unionville is a popular destination for tourists over the holiday season and the Applicant. would rely on tourists visiting Main Street Unionville for business on a holiday. It should be noted that although T&T Supermarkets Inc. is 1 kilometre from the intersection of Main Street and Highway 7, it is only about 244m away from the south end terminus of Main Street Unionville. The Unionville area offers a unique blend of historical beauty and multi-cultural attractions. In terms of the natural progression of tourism traffic, the Site Supermarkets is well located to attract visitors from the surrounding area due to its proximity to Main Street Unionville.

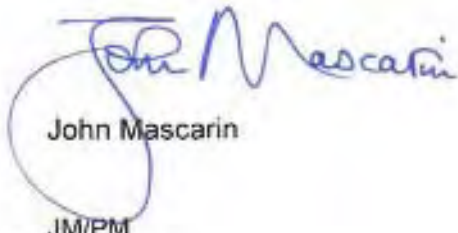

The Applicant has taken great care to ensure that the community is desirous of is application. Attached are surveys indicating 90% support from the community and numerous signatures indicating staff support in the "Benefit to Community" of the Application.

On February 5, 2013, I attended Markham Development Services Committee with Tina Lee (representing T&T Supermarkets Inc.) requesting the support of the City of Markham for the Application. This item was approved by Markham Council on February 12, 2013. In this regard, please find attached an excerpt of Minutes of Markham Council dated February 12 and 13, 2013.

In light of the foregoing, it is our opinion that the application fulfills the criteria as indicated in the *Retail Business Holidays Act* and applicable Regulations.

Yours very truly,

AIRD & BERLIS LLP

Main Street Unionville hosts annual jazz and Celtic festivals, as well as live music in the new bandstand in the summer. The street was also used as a stand-in for fictional Connecticut town Stars Hollow during the first season of The WB's *Gilmore Girls* television show.

Also filmed here for *Secret of Eden* in 2011, and *Borders*

Also, the movie *The Scream Team*, was shot on this street.

Road History

Main Street Unionville was the original 6th line of Markham Township. This road was undeveloped until about 1840 when the mill was developed at what is now Carlton Road.

The mill needed the water from the pond to the north-west but the swamp to its immediate south made travel virtually impossible. The common road developed along the ridge to the south and this became the main passage way. About this time the area on the north-west corner of the road and 15th Avenue (now York Regional Road 7) was subdivided but undeveloped until the coming of the railway in 1872. Unionville, as the center of the township, had until the 1970s held the town offices. The development of the subdivision immediately to the west of the small town in the late 1960s, brought attention to the run down nature of the buildings in the business area. The provincial government, with support of the regional and township governments were prepared to widen the road, which would have meant the demolition of the buildings. A great furor arose, culminating the Unionville Annual Festival, whose original purpose was to bring attention to the situation and to raise funds to fight the widening. Quickly, local politicians came on board and the road widening was stopped. In the early 1980s, the bypass was built around Main Street Unionville to relieve the heavy traffic. The bypass became what is now Kennedy Road and the original line was renamed as Main Street Unionville. With the coming of change the buildings were revived and a unique Victorian Village atmosphere came into being.

The Regional Municipality of York
Attention: Anitra Basant Sisavang, Law Clerk
Legal Services Branch

Dear Ms. Sisavang:

**Re: Application by T&T Supermarket Inc.
Tourism Exemption under *Retail Business Holidays Act*
7070 Warden Avenue, Markham, Ontario**

We are legal counsel to T&T Supermarket Inc. (the "Applicant"), owner of 7070 Warden Avenue, Markham (the "Site"), in its application for exemption to The Regional Municipality of York under the *Retail Business Holidays Act*, R.S.O. 1990, c. R.30.

It is our submission that the Site properly fulfills the criteria for exemption as set out under subsections 2(1) and 2(3) of O. Reg. 711/91 made pursuant to the *Retail Business Holidays Act*:

2. (1) A retail business establishment may be exempted if,
 - (a) it is located within two kilometres of a tourist attraction; and
 - (b) it is directly associated with the tourist attraction or relies on tourists visiting the attraction for business on a holiday.
- ...
- (3) For the purposes of this section, a tourist attraction is limited to,
 - (a) natural attractions or outdoor recreational attractions;
 - (b) historical attractions; and
 - (c) cultural, multi-cultural or educational attractions. (emphasis added)

In particular, the Site is located within two (2) kilometres of both Pacific Mall and Market Village which are multi-cultural attractions that were exempted from the *Retail Business Holidays Act* by operation of Region of York By-law No. LI-0008(f)-2001-003 and By-law No. LI-0008(e)-2000-107. In this regard, please find attached a Google Map image depicting the distance between Site and the combined Pacific Mall/Market Village complex as 1.64 km. Both attractions are in commercial districts on the north side of Steeles Avenue and east of Kennedy Road. The Site directly accessible from the Pacific Mall/Market Village complex along Steeles Avenue.

The Site is directly associated with Pacific Mall and Market Village and would rely on tourists visiting these attractions for business on a holiday. Pacific Mall and Market Village are multi-cultural attractions. Pacific Mall also houses the Pacific Heritage Town which is considered a Chinese cultural attraction.

Much like Pacific Mall and Market Village, T&T Supermarket Inc. serves Markham's diverse multi-ethnic community and organizes cultural activities for various ethnic groups; including sales in relation to the Chinese New Year, Taiwan Food Fair, Taiwan Fruit Festival, Korean Food Festival, Filipino Festival, Steamed Bun Festival, and Waterfront Night Market. Flyers containing advertisements for these sales and events are located in the section under "Benefit to Community". The flyers also indicate that the type of food stuffs that the Applicant is selling and indicates that, much like Pacific Mall, the Applicant sells items targeting multi-ethnic customers.

Due to the Site's close geographic proximity to Market Village and Pacific Mall as well as the fact that the establishments are similar, it is reasonable to conclude that during special events and periods of high visitor traffic, the Site would attract the same tourists.

The Applicant has taken great care to ensure that the community is desirous of its application. Included are surveys indicating 90% support from the community, and 71% and numerous signatures indicating staff support in the "Benefit to Community" of the Application.

On February 5, 2013, the Applicant's representative Tina Lee attended Markham's Development Services Committee to request that the City of Markham's support for this Application. The Development Services Committee approved the request. The item was subsequently formally approved by Markham Council on February 12, 2013. In this regard, please find attached Minutes of Markham Council dated February 12 and 13, 2013.

We note (and as was submitted to the Markham Development Services Committee), Oriental Food Centre was recently granted an exemption under By-law No. 2012-34. Oriental Food Centre is a direct competitor of our client, and is substantially similar in terms of customer base and location. In the interest of fairness and equity, we submit the Applicant should be granted the same exemption.

In light of the foregoing, it is our opinion that the application fulfills the criteria as indicated in the *Retail Business Holidays Act* and applicable Regulations.

Yours very truly,

AIRD & BERLIS LLP

Pacific Mall is an Asian shopping centre located in Markham, Ontario, Canada. It is located on the northeast side of Steeles Avenue and Kennedy Road, right across the municipal border from the City of Toronto, on the site formerly occupied by Cullen Country Barns. The two entrance roads of the mall are Redlea Avenue and Clayton Drive. Pacific Mall is surrounded by an existing shopping plaza, including the Market Village, and together they encompass over 500 stores and are served by both indoor and outdoor parking areas with over 1,500 parking spaces combined. It has two floors and an underground level that leads to an underground parking lot. Designed by Wallman Clewes Bergman Architects, their first proposal was modified by the aesthetic expectations of Markham City Council. Pacific Mall first opened its doors for business in 1997. The Chinese name, "太古廣場" (Tai Gu Guang Chang), is derived from Pacific Place in Hong Kong. The mall has a total of 270,000 square feet (25,000 m²) of retail space.

It was developed by local developers Sam Cohen and Eli Swirsky.

Pacific Mall is the largest indoor Asian mall in North America. It is located in Markham, Ontario, a city in York Region, where much of the population is of Chinese descent. Pacific Mall is a very popular location for Chinese and other Asian shoppers. On statutory holidays, such as Christmas Day, the mall attracts a significant number of non-Asian and/or non-Greater Toronto Area visitors.

Pacific Mall incorporates a traditional Pacific-style market. This Asian shopping centre has over 450 mini-shops selling a large variety of retail goods, as well as specialties such as herbs and ginseng, Asian fashions, flowers, accessories, CDs, DVDs, audio hi-fi, cell phones, prescription eyeglasses and sunglasses, furniture, toys and stationery, and entertainment. It is also a well-known place for computer and car enthusiasts alike. There are a variety of places to buy Asian food and drinks in the mall.

There is a clinic and dentist's office on the second floor, along with an area containing many restaurants and shops. The corridors on the main floor are named after streets in Hong Kong; this is where the majority of shops are located, and any major events take place. In the basement, there are bathrooms, a view of the underground parking lot, and other shops. There are elevators and escalators in the building.

As an official Canadian Tourist Attraction, the mall is exempt from the Retail Business Holiday Act and is open year-round including statutory holidays. Pacific Mall also hosts festivals and celebrations for the community.

Problems and concerns

Pirated merchandise

Pacific Mall and neighbouring Asian malls are known for their proliferation of pirated video games, movies, music and other entertainment media. In May 2005, over \$800,000 worth of pirated DVDs were seized by the Royal Canadian Mounted Police (RCMP).

On July 13, 2006, the RCMP raided a number of stores in the Pacific Mall and other locations associated to the manufacture of counterfeit video game software, seizing a large quantity of games and shutting down a major illicit software manufacturing facility.^[1]

In the week of August 8, 2008, thirty-three separate businesses were observed to be openly selling counterfeit

merchandise in the mall, primarily counterfeit DVD movies.

On February 6–7, 2009, the RCMP raided a number of stores in the Pacific Mall and other locations within the mall being used for the manufacture of counterfeit movie DVDs, seizing over 49,000 DVD movies, 217 DVD burners and over 100,000 blank DVDs. Four subjects working within the mall were charged with multiple counts under the Copyright Act, also with Possession Of Property Obtained by Crime, and Fraud.^[2]

On March 16, 2009, the RCMP Federal Enforcement Section teamed with the York Regional Police Service and commenced uniformed foot patrols in the shopping malls located in south Markham - Pacific Mall among them, in an effort to combat the widespread sales of counterfeit items in the malls.^{[3][4]}

The crackdown by police has limited the number of English-language movies, but the same stores still offered pirated Mandarin/Cantonese/Korean/Japanese movies and television dramas.

Traffic congestion

The mall is also a major contributor to traffic congestion in the area. It is not uncommon on a Saturday afternoon for all parking spots immediately surrounding the mall to be occupied, which can be frustrating for drivers who are inexperienced in navigating the Pacific Mall area. A few years after Market Village opened, it was already known to suffer from slow parking turnovers; local drivers seeking parking were known to trail shoppers exiting the plaza. Though Pacific Mall itself contains an underground garage facility, that was the only new parking added to the area, and it was not enough to offset the significant increase in demand to the area's already busy lots.

Unlike most other malls which were planned with increased amounts of traffic projected in the future, Pacific Mall lacks the infrastructure to deal with its large amount of traffic. The road layout of the mall was designed only with Market Village in mind and was never intended to handle the volume of traffic it does today. Steeles Ave is a major arterial spanning across Toronto, Pacific Mall contributes to the already large volume of traffic in the area. The stretch of Steeles between Kennedy and Midland, containing a majority of other stores, is slow moving. A similar problem exists on Kennedy Road just north of Steeles, as the left-turn lanes frequently overflow and block through traffic.

Recently, the municipality had lengthened left-turn lanes, added islands, and installed additional traffic lights. This has helped the problem.

Future expansion

On June 30, 2006, Pacific Mall and Market Village announced plans for a major expansion to the south shopping complex in south Markham. An additional 400,000 square feet (37,000 square metres) of retail space, a luxury hotel and a multi-level parking structure are to be constructed. The project is expected to begin in a year or two, and would bring the combined size of the malls (which includes neighbouring Remington Centre to about one million square feet).^[5] However, that plan was delayed until late 2009 and is set to open in the early 2010s.^[6]

The expansion is necessary to compete with the new rival mall Splendid China Tower on the opposite side of Steeles Avenue East.

Incidents

February 2009 shooting

On February 20, 2009, Kit Chen 'Daniel' Cheong, 26, was shot when gunfire broke out in the mall around 8:45pm ET. Cheong was in the XSITE cell phones store where he was shot in the head. He was rushed to Sunnybrook Health Sciences Centre, but was pronounced dead on February 21, 2009. Critics and private investigators say it was due to an unfortunate cellphone deal in which he refused to let the perpetrator return his cell phone. Others have noted that it was due to mistaken identity.^[7] The primary suspect in the case, Bryan Valentine Gardner, was caught on security camera installed in Pacific Mall, and was eventually arrested in London, Ontario on September 2, 2010, approximately 18 months after the incident.

Market Village

From Wikipedia, the free encyclopedia

Market Village is a 325,000 square foot Chinese shopping mall in Markham, Ontario, Canada, just north of Toronto. ^[*citation needed*]

Built by Cedarland Properties Limited in 1990, it attempts to mirror and mimic a rural town Ontario; the northwest and southeast façades feature barn-like and farm house designs. In the 1800s and early 1900s, the property was farmland.

Market Village was built as a retail addition to the Cullen Country Barns located to the west side of the new mall along Kennedy Road.

However, the new tenants of the mall were (and still are) mainly catering to Cantonese Chinese clientele and attracted few non-Chinese shoppers in the early years. Some parts of the south side of the mall was enclosed in 1995 (two storey office space was demolished during this time). Many of the original tenants have left and in their place new stores reflecting the retail trends within the Chinese community in the Greater Toronto Area.

The mall was threatened with new competition by the newer Pacific Mall, which was built on the location of Cullen Country Barns (demolished), but the two malls have co-existed and dominate retail in the region. Indeed, as the existing traffic and parking was already congested with the opening of Market Village, the addition of Pacific Mall has made these problems significantly worse (for instance, the underground parking in Pacific Mall is not nearly enough to handle the customers attracted by the new complex)

Most stores in Market Village are family-run stores, but there are a few non-Chinese retailers and some stores with links to Hong Kong have been opened. Some stores, along with these in Pacific Mall, have been targeted by the Royal Canadian Mounted Police (RCMP) for selling counterfeit DVDs, video games and CDs. There are 149 stores in market village listed on the map at the front entrance.

Future expansion

On June 15, 2006, Pacific Mall and Market Village announced plans for a major expansion to the south shopping complex in south Markham. An additional 400,000 square feet (37,000 m²) of retail space, a luxury hotel and a multi-level parking structure were to be built. The project was expected to begin in a year or two, and would bring the combined size of the two malls to about 1 million square feet (92,900 square meters).¹¹ However, that plan was delayed until late 2009, to open in the early 2010s.¹²

In 2009, plans were drawn up to demolish the entire mall and replace it with a larger and modern complex called the Remington Centre. It will feature a two-level structure with over 800,000 square feet (74,000 m²) of retail and commercial space and two condo towers located on the southeast end. The Remington Centre is aiming for LEED status along with the installation of 1100 tonnes of geothermal capacity¹⁸. Construction is due to begin in 2013-2014 and completed in 2016.
