MEMORANDUM

TO: Members of Transportation and Services Committee

FROM: Kathleen Llewellyn-Thomas, P.Eng.
Commissioner of Transportation and Community Planning

DATE: March 8, 2012

RE: **Community Safety Zones in School Areas**

Regional Council at its meeting on February 16, 2012 referred the Community Safety Zone report back to staff for further consideration and report back to the April 4, 2012 Transportation Services Committee meeting.

At this time, staff is still consulting with local municipal staff and York Regional Police with regards to Transportation Services Committee direction to designate all school zones as Community Safety Zones without the need for an assessment.

As this consultation is still ongoing, the Community Safety Zone report will be presented to the May 2, 2012 Transportation Services Committee meeting.
