The Town is holding a community meeting to discuss the requirement for naming the Victoria Square by-pass road and renaming a section of Woodbine Avenue affected by the by-pass road.

Section of Woodbine Avenue subject to a name change

Victoria Square By-Pass Road Naming and Woodbine Avenue Renaming

The Victoria Square by-pass road, which is meant to serve as the realignment of Woodbine Avenue, needs to be assigned a name. Construction of the by-pass road will affect a section of Woodbine Avenue between Major Mackenzie Drive and 19th Avenue necessitating a renaming of this section of road.

The community meeting is meant to serve as an information/input session for affected land owners regarding naming options for both roads.
