AND WHEREAS the total of the principal amounts of additional debentures authorized to be borrowed by the Debenture By-laws is the aggregate principal amount of \$101,500,000.00 (\$26,500,000.00 in the case of the instalment debentures and \$75,000,000.00 in the case of the term debentures) and it is desirable to consolidate the said amounts into one aggregate principal amount of \$101,500,000.00 repayable in accordance with Schedule "A" attached hereto and forming part of this By-law ("**Schedule "A"**") and to issue one series of additional debentures therefor, as agreed to by the Upper-tier Municipality on November 14, 2007;

NOW THEREFORE, the Council of The Regional Municipality of York hereby enacts as follows:

1. The principal amounts of additional instalment debentures of the same maturities, interest rates and terms and conditions as the instalment debentures issued pursuant to debenture By-law No. D-0188-2007-049 authorized to be borrowed by the Debenture By-laws for the respective purposes set out in Schedules "A" to the Debenture By-laws (individually a "**Project**", collectively the "**Projects**") in the case of the 3 year instalment debentures are hereby consolidated into one principal amount of \$26,500,000.00 (the "**Instalment Debentures**"). The principal amounts of additional term debentures of the same maturity, interest rate and terms and conditions as the term debentures issued pursuant to debenture By-law No. D-0188-2007-049 authorized to be borrowed by the Debenture By-laws for the Projects in the case of the 10 year term debentures are hereby consolidated into one principal amount of \$75,000,000.00 the ("**Term Debentures**"). The Instalment Debentures and the Term Debentures are hereby authorized to be issued as one series of debentures in denominations of \$1,000.00 and any integral multiples thereof in the case of the Instalment Debentures and in minimum denominations of \$1,000.00 in the case of the Term Debentures, all as hereinafter set forth.
2. The Regional Chair and the Commissioner of Finance and Treasurer of the Upper-tier Municipality are hereby authorized to cause any number of Instalment Debentures in the aggregate principal amount of \$26,500,000.00 and any number of Term Debentures in the aggregate principal amount of \$75,000,000.00, in the aggregate principal amount of \$101,500,000.00, as described in section 1 above (the Instalment Debentures and the Term Debentures are hereinafter collectively referred to as the "**Debentures**"), payable in annual instalments of principal (May 30) with semi-annual instalments of interest thereon (May 30 and November 30), in the case of the Instalment Debentures, and payable as to principal on the maturity date (May 30, 2017) with semi-annual instalments of interest thereon (May 30 and November 30), in the case of the Term Debentures. The Debentures are to be issued for such amounts of money as may be required for the Projects in

global and definitive forms, not exceeding in total the said aggregate principal amount of \$101,500,000.00. The Debentures shall bear the Upper-tier Municipality's municipal seal and the signatures of the Regional Chair and of the Commissioner of Finance and Treasurer of the Upper-tier Municipality, all in accordance with the provisions of the Act. The municipal seal of the Upper-tier Municipality and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Instalment Debentures shall initially be issued in global fully registered form as one certificate, in the aggregate principal amount of \$26,500,000.00, substantially in the form of Schedule "B" attached hereto and forming part of this By-law (the "**Instalment Global Debenture**"). The Term Debentures shall initially be issued in global fully registered form as two certificates, each in the principal amount of \$37,500,000.00, in the aggregate principal amount of \$75,000,000.00, substantially in the form of Schedule "C" attached hereto and forming part of this By-law (the "**Term Global Debentures**"). The Instalment Global Debenture and the Term Global Debentures are hereinafter collectively referred to as the "**Global Debentures**". Each of the Global Debentures shall initially be issued in the name of CDS & CO. as nominee of CDS Clearing and Depository Services Inc. ("CDS"), and each shall provide for payment of principal and interest (other than in respect of the provision for the payment of principal and outstanding interest on the final maturity date upon presentation and surrender at the office of the Commissioner of Finance and Treasurer of the Upper-tier Municipality in the case of the Global Debentures or at any specified branch in Canada of the Upper-tier Municipality's bank in other cases) by cheque sent by mail to the registered address of the registered holder or, if the Upper-tier Municipality and the registered holder of the Global Debentures so consent, by electronic transfer of payment in respect of such principal and interest to the credit of such registered holder on such terms as to which the registered holder and the Upper-tier Municipality may agree.

3. The Debentures shall all be dated the 30th day of November, 2007, and as to both principal and interest shall be expressed and be payable in lawful money of Canada.

- (1) The Instalment Debentures shall mature within the term of years set out in Column (6) of the respective Schedule "A" of the Debenture By-laws in respect of the Instalment Debentures and the respective amounts of interest or of principal and interest payable in each of the years during the currency of the Instalment Debentures shall be as set forth in Schedule "A". The Instalment Debentures maturing (principal payable) in the year 2008 shall bear interest at the rate of 4.40% per annum, the Instalment Debentures maturing (principal payable) in the year 2009 shall bear interest at the rate of 4.35% per annum and the Instalment Debentures maturing (principal payable) in the year 2010 shall bear interest at the rate of 4.40% per annum.

- (2) The Term Debentures which comprise the remainder of the Debentures, shall bear interest in each year of their currency from November 30, 2007 at the

rate of 4.60% per annum. In each year during the currency of the Term Debentures the amount of \$3,450,000.00 shall be payable for interest (\$1,725,000.00 on each of May 30 and November 30) and, after the principal of the Instalment Debentures issued under this By-law becomes payable on May 30, 2010, in each year of the Term Debentures, commencing on May 30, 2011, an amount of \$9,495,720.90 shall be deposited by the Commissioner of Finance and Treasurer of the Upper-tier Municipality, or an authorized official of the Upper-tier Municipality, into a retirement fund (the “**Retirement Fund**”), which amount, with interest compounded annually, will be sufficient to pay the principal of the Term Debentures at maturity (May 30, 2017) as required by the provisions of this By-law and the Act.

(3) Payments in respect of principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario are not authorized or obligated by law or executive order to be closed (a “**Business Day**”) and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.

4. Interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the Upper-tier Municipality as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of interest in respect of the Debentures for a period of less than one full year, other than with respect to regular semi-annual payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days or 366 days, if applicable.
5. In limited circumstances (as set out in the letter of representations addressed to CDS referred to below and as set out in the Global Debentures) the Global Debentures shall be exchangeable for certificated Debentures in definitive fully registered form in authorized denominations upon surrender of the Global Debentures to the Commissioner of Finance and Treasurer of the Upper-tier Municipality provided that there is at least one definitive Debenture which matures in each of the remaining years of the currency of the Instalment Global Debenture. The definitive Debentures shall aggregate the same principal amount as the principal outstanding balance of the relevant Global Debentures as of the record date for such exchange in accordance with the provisions of the relevant Global Debentures, shall bear the same interest rates and maturity dates, shall bear all unmatured interest obligations and shall have the same benefits and be subject to the same terms and conditions as the relevant Global Debentures (except insofar as they specifically relate to the relevant Global Debentures). In issuing definitive Debentures no change shall be made in the amount which would otherwise be payable in each year under the relevant Global Debentures. The definitive Debentures shall be in fully registered form, payable as to principal and outstanding interest in lawful money of Canada at maturity upon presentation and surrender thereof at any specified branch in Canada of the Upper-tier Municipality’s bank designated in the definitive Debentures, otherwise, with provision for payment of principal and interest in the case of the Instalment

Global Debenture and of interest in the case of the Term Global Debentures, by cheque sent by mail to the registered addresses of the registered holders or, if the Upper-tier Municipality and any registered holder of the definitive Debentures so consent, by electronic transfer of payment in respect of such principal and interest (as the case may be) to the credit of such registered holder on such terms as to which the registered holder and the Upper-tier Municipality may agree.

6. (1) In each year in which a payment of an instalment of interest or of principal and interest becomes due in respect of the Instalment Debentures, there shall be raised as part of the general upper-tier levy the amounts of interest or of principal and interest payable in each year as set out in Schedule "A" to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
- (2) In respect of the Term Debentures there shall be raised, as part of the general upper-tier levy, in each year of their currency the amount of \$3,450,000.00 which shall be payable for interest (\$1,725,000.00 on each of May 30 and November 30) and in each year commencing on May 30, 2011, the amount of \$9,495,720.90 for deposit into the Retirement Fund for the payment of the principal of the Term Debentures at maturity, and in each year, for the Projects, the said two amounts shall be raised as part of the general upper-tier levy, to the extent that such amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
- (3) Without limiting the generality of the foregoing the Upper-tier Municipality's lower-tier municipalities (individually a "**Lower-tier Municipality**", collectively the "**Lower-tier Municipalities**") shall pay to the Upper-tier Municipality in accordance with Debenture By-law No. D-0191-2007-081 and The Corporation of the City of Vaughan in accordance with Debenture By-law No. D-0192-2007-082, and the Upper-tier Municipality shall pay the respective amounts of principal and interest payable and for annual contributions to the Retirement Fund in each year in respect of the Debentures by such entities as set out in the Debenture By-laws and the amounts to be raised by levy each year pursuant to the Debenture By-laws shall be raised and collected and such amounts shall be applied to the amounts of interest or of principal and interest payable and for the annual contribution to the Retirement Fund in the respective year in respect of the Debentures to be issued under this By-Law in accordance with the Debenture By-laws and the Act.
- (4) If any Lower-tier Municipality fails to make any payment or portion of it as provided in this By-law, such Lower-tier Municipality shall pay interest to the Upper-tier Municipality on the amount in default at the rate of 15% per annum, from the date the payment is due until it is made.
- (5) There shall be raised, pursuant to this By-law, in each year of the currency of the Debentures, as part of the general upper-tier levy, the amounts required to be paid to the Upper-tier Municipality in any previous year by any one or more of

the Lower-tier Municipalities to the extent that the amounts have not been paid to the Upper-tier Municipality in accordance with this By-law.

7. The Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.
8. The Upper-tier Municipality shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellations, exchanges, substitutions and transfers of Debentures may be recorded and the Upper-tier Municipality is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.
9. The Upper-tier Municipality shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The Upper-tier Municipality shall deem and treat registered holders of the Debentures, including the Global Debentures, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the Upper-tier Municipality on the Debentures to the extent of the amount or amounts so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the Upper-tier Municipality. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the Upper-tier Municipality.
10. The Debentures are transferable or exchangeable at the office of the Commissioner of Finance and Treasurer of the Upper-tier Municipality upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the Upper-tier Municipality and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Regional Chair and the Commissioner of Finance and Treasurer shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount in any authorized denomination or denominations as directed by the transferee, in the case of a transfer or as directed by the registered holder in the case of an exchange.
11. The Regional Chair and the Commissioner of Finance and Treasurer shall issue and deliver new Debentures in exchange or substitution for Debentures

outstanding on the registry with the same maturity dates and of like form which have become lost, stolen, mutilated, defaced or destroyed, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case of a lost, stolen or destroyed Debenture) furnished the Upper-tier Municipality with such evidence (including evidence as to the certificate number of the Debenture in question) and indemnity in respect thereof satisfactory to the Upper-tier Municipality in its discretion; and (c) surrendered to the Upper-tier Municipality any mutilated or defaced Debenture in respect of which new Debentures are to be issued in substitution.

12. The Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity dates and, subject to the provisions of this By-law, shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.
13. The cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the Upper-tier Municipality. When any of the Debentures are surrendered for transfer or exchange the Commissioner of Finance and Treasurer of the Upper-tier Municipality shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; and (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange.
14. Reasonable fees for the substitution of a new Debenture or new Debentures for any of the Debentures that are lost, stolen, mutilated, defaced or destroyed and for the replacement of lost, stolen, mutilated, defaced or destroyed interest cheques or principal and interest cheques may be imposed by the Upper-tier Municipality. Where new Debentures are issued in substitution in these circumstances the Upper-tier Municipality shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided.
15. Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.
16. (1) The execution of a purchase letter in respect of the Debentures, dated as at November 14, 2007, by the Director of Policy, Risk and Treasury is hereby ratified, confirmed and approved, the Regional Chair and the Commissioner of Finance and Treasurer are hereby authorized to cause the Debentures to be issued, the Commissioner of Finance and Treasurer is hereby authorized to enter into a letter of representations with CDS, the Commissioner of Finance and Treasurer and the Regional Clerk are hereby individually authorized to generally do all

things and to execute all other documents and papers in the name of the Upper-tier Municipality in order to carry out the sale of the Debentures and the Commissioner of Finance and Treasurer is authorized to affix the Upper-tier Municipality's municipal seal to any of such documents and papers.

(2) The money received by the Upper-tier Municipality or by The Corporation of the City of Vaughan, as the case may be, from the sale of the Debentures, including any premium, and any earnings derived from the investment of that money, shall be apportioned and applied to the Projects, and to no other purpose except as permitted by the Act.

17. The Upper-tier Municipality reserves the right to issue additional debentures of the same maturities, interest rates and terms and conditions.
18. Subject to the Upper-tier Municipality's investment policies and goals and the applicable legislation, the Upper-tier Municipality may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the Upper-tier Municipality may in its discretion determine.
