Dear Ms. Frustaglio:

Thank you for your letter of thanks for funding support for smoke-free by-laws.

I appreciate your interest and support for our plans to introduce provincial no-smoking legislation in all workplaces and public places. I also appreciate your sharing the City of Vaughan's efforts in developing and implementing its no-smoking by-law. I am always encouraged by the hard work of people dedicated to protecting and improving the health of others.

Your offer to provide assistance and advice in public consultations into our planned legislation is also appreciated. Ministry staff responsible for tobacco issues will contact the City of Vaughan on our planned consultations.

Again, thank you for writing.

Yours truly,

George Smitherman
