Ms. Price,

My name is Marco Pietrangelo, I am a resident of Vaughan and also a business owner.

I am an owner of the building at Hwy. 2780 (corner of Creditstone and Hwy 7)

I was recently made aware of the propoed new solid waste management site, and would like an opportunity to speak to this issue at the meetig scheduled on Feb. 13 at 9:00a.m.

I would like to state my case for a postponement of the matter, so that the impacts may be better understood by local business owners like myself.

Thank you

Marco Pietrangelo
