Dear Mr. Kelly:

This will confirm that at the meeting of Council held on December 14, 2004, Clause 2 of Report No. 67, was approved as follows:

"Resolution A

That the staff presentation regarding traffic issues for the Splendid China Square proposal be received;

And that the depositions by Frederick Woo, and Mary Flynn-Guglietti of McMillan Binch, representing York Region Condominium Corporation No. 890, owner of Pacific Mall, with concerns for the Splendid China proposal, be received;

And that the City of Toronto be requested to finalize funding and accelerate timing of Steeles Avenue improvements including the grade separation;

And that the City of Toronto be requested to circulate site plan and traffic and parking studies for the Splendid China proposal to the Town of Markham for comment;

And that the applicant be requested to consider the extension of Redlea Boulevard to Passmore Avenue in any traffic studies undertaken by the City;

And that the applicant be requested to address the need for Splendid China to have a shared parking agreement in place with the GO Transit Station for overflow parking as part of any traffic study undertaken;

....2/

And that York Region Transit and the Toronto Transit Commission be requested to review transit service to the Kennedy Road and Steeles Avenue area, including increasing services and transit stop locations;

And that Pacific Mall, Market Village and Canada Trust be requested to consider bus shuttle service to the Unionville GO Transit Station to accommodate overflow parking on Saturdays, Sundays and public holidays.

Resolution B:

Whereas the Town of Markham recognizes the need to accelerate the widening of Steeles Avenue east of Markham Road, that a meeting be arranged with appropriate political participants from Markham, the Region of York, and the City of Toronto;

And that the Working Committee be reinstated to work on road issues in the Steeles Avenue area, with membership revised to include Deputy Mayor F. Scarpitti, Regional Councillors J. Heath, J. Jones and B. O'Donnell and Councillors J. Webster and K. Usman."
