The Regional Municipality of York
17250 Yonge Street
Newmarket, Ontario L3Y 6Z1

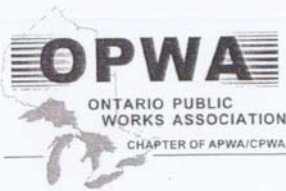

Dear Regional Chairman Bill Fisch and Members of Council:

On behalf of the Ontario Public Works Association, I am pleased to advise that the Regional Municipality of York's **Sutton Water Pollution Control Plant Project** has been named "Public Works Project of the Year" in the Environment category (2 to 10 million dollars).

The Ontario Public Works Association Project of the Year Awards were established to promote excellence in the management and administration of public works projects by recognizing the alliance between the managing agency, the consultant/architect/engineers, and the contractor(s) who, working together, complete public works projects.

The Award will be officially presented at the OPWA Awards Luncheon, to be held on Thursday, January 27, 2005 at the Mississauga Grand Banquet Hall and Convention Centre, 35 Brunel Road, Mississauga, Ontario (Reception 11:30 a.m. – Lunch/Awards 12:00 p.m.) Each of the project team partners will receive a framed copy of the award.

We would appreciate being notified as soon as possible as to expected attendees and the individual(s) selected to receive the Award. To confirm arrangements, please contact my office at 905-896-5937. Luncheon tickets are \$35.00 for recipients and guests.
