Subject: February 21st. Regional Council Meeting: Bayview Avenue Widening

Mr. Denis Kelly,
Clerk, Region of York

Re: February, 21st, 9:30am. Regional Council regarding Town of Markham motion requesting a review of the widening of Bayview Avenue.

Dear Mr. Kelly,

I would like to make a deputation to Regional Council on February 21st at 9:30 a.m. regarding the widening of Bayview Avenue within the Town of Markham.

I am representing the Bayview Glen Residents Association, our neighborhood is located in the area of Bayview Avenue and Steeles Avenue.

Our Association is concerned that a widened Bayview Avenue will have a detrimental impact on a environmentally sensitive area and will increase the flood risk to public safety from the East Don River and tributaries.

I would like to display a photograph to Council during my deputation and would appreciate your help in what is required or necessary format.

Thank you,

Toinette Bezant,
President, Bayview Glen Residents Association
c/o 2 Sunflower Court
Thornhill, Ontario L3T 2W3
