Subject: Feb. 21, 2008 Regional mtg. re road widenings

Dear Mr. Kelly,

Re: Feb. 21, 2008 Mtg. of Council

Please place our association on the list of those who wish to speak to the issue of proposed road widenings in York Region. I am the co-chair of the Grandview Area Residents Association, (GARA). Our association represents residents who live between Yonge and Bayview, from Steeles Ave. to Proctor Ave. This area will be adversely affected by the widening of Bayview Ave., and we wish to explain our position to Regional Council.

Thank you for your assistance.
