Subject: Brief Submission on Proposed Widening of Bayview Ave.

Mr. Denis Kelly,
Regional Clerk, Region of York

Mr Kelly:

Further to my phone call this morning, I am requesting an opportunity to address Regional Council on February 21, 2008 council meeting. I would like to make a brief presentation on the Bayview Avenue Traffic Improvements as per the Town of Markham motion regarding negative implications to road widenings.

Yours truly,

Wes Lammers
