Subject: Deputation to Council

Good Morning Denis:

The York Region Food Network is requesting the opportunity to speak to Regional Council as early as possible in the New Year (the February meeting, if possible)
The purpose of this deputation is to update the Council on the Network's goals, to increase awareness among Councilors about the activities and accomplishments of the Network over the past year, and to invite and encourage Council's support and participation in the York Region Food Network's Annual Charity Golf Tournament to be held in August.

Thank you, and look forward to hearing from you soon
