Please expand on your responses to the above items:

"Too oriented to an "attack" on natural heritage taking land away from development."

"Breakout session - not very well controlled in terms of looking at the questions in a positive approach - identifying options"

"Discussion groups were too big!"

"Better, healthy food (muffins not great) (Lunch great! Thanks for veggie meal). Larger printouts for slides (can't read it). Followup/reminder email before event (almost forgot)."

"Peak Oil/Health Issues are needed in the calculations."

"Breakout issues very broad, discussion got off topic easily."

"More southern, Highway 7 location venue more convenient for most."

"Breakout session - a bit more time would be useful for complete questions. Lunch - where's the beef?"

"The Facility should be accessible by transit."

"The room was a little too noisy during the breakout sessions."

"Workshop facilitators need more education/assistance in controlling the pace of the session."

"It was a good opportunity to ID issues that are common across sectors - and ID potential barriers and solutions to planning."

"Thanks for a veggie lunch!!"

"Breakout discussion needs to be more focused."

"Good high level overview."

"Thanks so much for hosting this event! It's very important for all the varied groups to hear each other."
