Re: Application for Development Charge Credit
16th Avenue at Roy Rainey Avenue and at Alexander Lawrie Avenue
Town of Markham, Regional Municipality of York

Further to our letter of September 24, 2004, we provide the following revised documentation for consideration for development charge credit for the above captioned works.

Please find enclosed the following:

1. Three copies of the new construction drawings
2. Three copies of the earthwork quantity calculations
3. Three copies of the quantity and cost summary
4. Correspondence from Power Stream, FCI Broadband, Bell Canada and Rogers Cable.

The costs have been revised to include electrical costs as submitted by the electrical consultants and a cost estimate from Rogers Cable for the relocation of their facilities.

If you have any questions or comments regarding these matters, please do not hesitate to contact the undersigned.

Yours truly,
SCHAEFFER & ASSOCIATES LTD.
