Dear Mr. Kelly:

Re: Item 6 - IES10-043 – Leslie Street and St. John's Sideroad Pedestrian Trail Crossings

Please be advised that this matter was heard by General Committee at its meeting held on September 7, 2010. The following recommendation was adopted by Council on September 14, 2010:

THAT York Region be requested to include a description and identify the underpasses along St. John's Sideroad and Leslie Street within their current environmental studies; and

THAT York Region be requested to include funding for this project in their 2011 capital program as the project supports the Regional initiatives of 'Healthy Communities', 'Walkable Communities', and 'Linked Green Spaces', **which are of regional significance**; and

THAT a copy of this report be provided to the York Region Clerk's Office.

The above is for your information and any attention deemed necessary.

Yours truly,

Mr. John D. Leach
