York Region Finance Committee Meeting 1<sup>st</sup> December 2005

*Dear Mr. Kelly*

It would be appreciated if I might be given the opportunity to make a deputation to the York Region Finance Committee on Thursday the 1<sup>st</sup> of December 2005.

My reasons are twofold. Firstly to express my concerns that, since inception, the estimated costs of the King City sewer project to be borne by existing residents has increased by 166%. An increase completely outwith their control.

Secondly to suggest measures that could be taken to mitigate the estimated costs of the project borne by residents, which currently stand at an average cost per lot of \$21,620. These measures in turn affect the Regional budget for 2006 and the years thereafter.

Yours sincerely,

R.J.Martin.
