RE: **RAPID TRANSIT - NETWORK CONFIGURATION (5.14)**

Dear Mr. Kelly:

This will confirm that at the meeting of Council held on September 30, 2003, Clause 6 of Report No. 61, was approved as follows:

“That Council endorse the Region of York/YRTP rapid transit network configuration concept and strategy subject to the following conditions;

- (i) That YRTP and Region of York undertake further discussions with Town staff upon completion of the Highway 7 landuse study to revisit the possibility of extending the LRT east of Unionville
- (ii) That YRTP and Region of York work closely with Town staff in reviewing the ridership thresholds prior to 2011 that would warrant the conversion of BRT to LRT along the rapid transit corridors in Markham as noted in the Network Configuration Report.

And that a copy of Council's decision be forwarded to the Region of York and YRTP.”

Yours sincerely,

Sheila Birrell
Town Clerk
