Subject: Deputation at the Regional Council Meeting, Jan 22nd re Pine Valley Link

Dear Mr. Kelly,

This is a request to make a PowerPoint presentation to the Council on the subject of the Pine Valley Link.

I represent the Humber Valley Heritage Trail Association (Kleinburg), of which I am Secretary-Treasurer.

Our association is against the construction of this link through the wild area of Boyd Park because (a) it would destroy the park in terms of conservation and reduce its value as an outdoor place for recreation, (b) is not the only viable option for traffic, and (c) is the most expensive option.
