HSPC REVIEW

Interview Guide

1. How would you characterize the principal strengths of the HSPC? What benefits can accrue from the work of this coalition, in your opinion? What can the coalition build upon to generate future success?
2. What about its weaknesses? What needs to be improved, from your point of view? How could the effectiveness of the HSPC be enhanced?
3. What opportunities are available that the HSPC has yet to realize? What untapped potential exists for the coalition? How could that potential be translated into action and results?
4. What challenges exist that could threaten the viability of the HSPC? How could those challenges be met and/or prevented?

Particular probes on (if not offered up voluntarily):

- Accountability
 - Roles
 - Structure
 - Funding
 - 4 purposes
5. Asking for some interpretation on current survey results, e.g.:
 - Differences in ratings of 4 purposes
 - Differences in ratings of effectiveness of communication to various stakeholders
 - Some of the suggestions for structure and accountability
 6. In general, then, do you think the HSPC should or should not continue as part of the Region's Human Services Strategy? Why do you say that?
