Mr Bill Fisch,
Regional Chair and CEO
The Regional Municipality of York
17250 Yonge Street
Newmarket, ON L3Y 6Z1

Dear Bill,

It has been some time since you have heard from me, but it has come to my attention that one or more ambulances may have been, or are about to be, decommissioned.

It is about two years since we first talked with you about acquiring an ambulance for the Firefighters of the City of Guayaquil, Ecuador. York Region very kindly made a beautiful ambulance available to us and, as you know, it reached its destination safely and is much appreciated by that city. I delivered a photograph to you from Ecuador.

In case one or more ambulances may become available, I wanted to remind you that we would be glad to talk with you about it. We are now incorporated in Ontario as a not-for-profit organization, and continue to send large amounts of hospital, school and emergency supplies to recognized charities in Ecuador.

Thank you so much for considering this request and this need, and I look forward to hearing from you if anything is available.

Most cordially yours,

Paul W Roberts, M.D.
Chairman, Friends of Ecuador
Honorary Consul of Ecuador
