Dear Ms. Wagle:

On behalf of the City of Vaughan Recreation and Culture Department, I would like to thank the Regional Municipality of York for allowing us to enter into a Service Agreement that enables us to operate the Lunch Bunch Program (A.O.K) at the Maple Community Centre.

Your funding enables us to deliver a service that averages 30 visitors per day and attracts non-traditional users of preschool programs. This is due to the reasonable cost of the service and the unstructured play setting. This program has increased parent awareness and understanding of early child development and provides an invaluable support for parents in the community.

Once again, I would like to thank the Region for their continued support in allowing us to provide opportunities for parents and preschoolers in the City of Vaughan.

It is a pleasure working with the Region and we look forward to your continued support and involvement.

Yours truly,

Diane LaPointe-Kay
