Dear Chair Emmerson and Committee Members, Transportation an Works.

Thank your staff for all ther help getting information to the Richmond Hill Naturalists regarding the meeting tomorrow. Unfortunately work commitments do not allow either of us to attend this important meeting.

The Summit has asked the Town of Richmond Hill and the Ministry of Municipal Affairs and Housing for the opportunity to cut trees on this property and has been turned downed.

I urge the committee to suppport the staff report and turn down the applicant and support the York Region Tree cutting by-law and also the Oak Ridges Moraine Act.
