The map illustrates the proposed YRT bus rapid transit line. The route begins at the TTC Don Mills Station, travels south through the TTC Finch Station and TTC Downsview Station, and then continues west through Vaughan and Markham to the Langstaff Terminal. The route is color-coded: green for the segment from Don Mills to Finch, yellow for the segment from Finch to Downsview, and blue for the segment from Downsview to Langstaff. Key locations and roads shown include York University, Steeles Ave., Highway 7, Highway 407, and various local streets in Vaughan and Markham.
