Subject: Request to delegate at Thursday June 19th Regional Council Meeting

Dear Denis:

I'm sorry for the late notice, but I would like to make a formal request to delegate at tomorrow morning's Regional Council meeting related to the power supply issue.

I have been involved in extensive efforts to address our power supply and corresponding environmental impacts for four years and I sat on the Aurora - Markham Hydro Task Force and participated as an observer and contributor to the 2005 OPA Working Group. I conditionally support the OPA's 2005 Working Group recommendations and feel strongly that the public record needs to be corrected with regards to a number of alarming and misleading statements currently being circulated by some sources.

I plan to attend tomorrow morning's meeting and I would much appreciate an opportunity to address council for five minutes.

Thank you.

Richard D. Johnson
