We are writing on behalf of the UJA Federation of Greater Toronto with respect to the Lebovic Jewish Community Campus in the City of Vaughan, Block 11 Planning District.

We are requesting to appear in deputation of the Regional Council's meeting of June 19, 2008.

We are a registered Canadian Charity (Charity Corp. Certification No. 57460, Incorporation date: 1948-07-21) and are requesting Regional Council's authorization to its Finance Department to accept the payment of the Development Charges for its Phase 2 development based on the current rate in effect and not subject to the increase effective after June 18, 2008.

We are prepared to pre-pay the current Development Charges prior to the rate increase effective June 18, 2008.

This Phase 2 of the Community Services Block within the Lebovic Campus and the proposed new works are extensions of the existing Phase I Building Permit No: 05-000338.

We would appreciate your confirmation of our deputation.

Yours very truly,
