

Dear Mr. Kelly,

We at Veolia Water Solutions and Technologies would like to request that York Regional Council review our deputation regarding the recommendation for the pre-selection of the Tertiary Membrane system for the Keswick WPCP. We would please ask for the opportunity to address the Regional Council on June 19th, 2008 to address our concerns that we believe greatly affects York Region and would be of concern to its constituents.

We would like to thank you for your time in reviewing this request and we look forward to meeting with Regional Council June 19th, 2008.

Respectfully,
