Transportation and Works Department

Dear Sir,

RE: Lakeview Homes (Woodbridge) Inc.
City of Vaughan - File No. 19T-99V11
Plan 65M-3532
Development Charge Credit - Islington Avenue Storm Sewer

This is to advise that our client, Lakeview (Woodbridge) Inc. is seeking a development charge rebate for constructing municipal works serving the Islington Avenue right-of-way. The works include the construction of a storm sewer within the Islington Avenue right-of-way. The cost of constructing the storm sewer to accommodate drainage from the Islington Avenue right-of-way is \$234,308.25 including a 10% Engineering Fee and GST.

We are enclosing a copy of the appropriate section of the contract itemizing the cost of the storm sewer serving the Islington Avenue right-of-way. The restoration works are required to stabilize the slopes surrounding the outlet headwall.

Please advise should you require any further information to facilitate approval of our request.

Yours truly,

RAND Engineering Corporation
