Subject: Regional Council deputation

Hi Denis,
I see from the Regional Council agenda for tomorrow that the deputation from Markham's Councillor Erin Shapero to T and W (June 15th meeting) is acknowledged in the report before Council tomorrow. It is item # 1 on the T and W reports list "YDSS Trunk Sewer Project.....". Councillor Shapero would like to briefly address Council tomorrow, and will be completing a deputation request form when she arrives in the morning. I will be there myself at 9:00 am if you need to discuss this further. PHH
