Board Members Needed for Central LHIN

Help us create caring communities and healthier people together!

Interested in helping to make important decisions about our local health system? Then consider applying to serve as a member of the Central LHIN Board of Directors.

Our LHIN is currently seeking two individuals to serve on our Board of Directors, with terms beginning later this year. This posting is part of an ongoing process to recruit a total of three new Board members to fill vacancies created as current members complete their terms in 2010.

Find out more about this opportunity to make a difference in your local community. Review the Board of Directors Recruitment posting in [English](#) or [French](#) or visit the [Board Recruitment](#) section of our website.

How recruitment works

The recruitment of Board members is supported by the [Public Appointments Secretariat \(PAS\)](#), in concert with the Central LHIN's [Community Nominations Committee](#). Here's a high-level look at the steps in the process:

- Individuals apply to serve on the Board of Directors through the PAS.
- The PAS sends all qualified applications to the Central LHIN Board Chair.
- Central LHIN's Community Nominations Committee interviews candidates, and puts forward recommendations for approval by the Central LHIN Board of Directors.
- Central LHIN forwards the Board-approved candidate(s) information to the PAS.
- The PAS works with the Minister of Health and Long-Term Care, who determines the final successful candidate(s) and informs the Central LHIN Board Chair.
- Successful candidate(s) are notified by the Central LHIN Board Chair.

For additional information around requirements to serve as a member of a LHIN Board of Directors, please visit the PAS website at www.pas.gov.on.ca. This website includes a full listing and descriptions of all government agencies, including LHINs, and a "How to Apply" section.

Thank you to all those who previously applied

Central LHIN would like to sincerely thank all of those who applied to our previous posting. As soon as possible, successful candidate(s) will be notified by our Board Chair. Central LHIN will also connect by letter with all those whose applications were forwarded to us by the PAS, so we can more formally thank you for your interest in Central LHIN.
