Dear Ms. Pamela Roth:

Re: 7812 Kennedy Road, Town of Markham, 110 units
East Markham Non-Profit Homes Inc., Regional Municipality of York
Canada-Ontario Affordable Housing Program (AHP) – Wave 1 Rental and Supportive Component

I am pleased to confirm that funding in the amount of \$7,700,000 for 110 units for the 7812 Kennedy Road project has been approved under the Canada – Ontario Affordable Housing Program – Rental and Supportive component. This conditional letter for funding is based on the recommendation of the Regional Municipality of York.

Your project is one of 438 approved AHP capital projects for 10,930 units across the province. These projects are in various stages of development, and many are occupied.

Under the new Canada-Ontario Affordable Housing Program Agreement, housing will be provided for Ontario's most vulnerable – including people on, or eligible to be on, the social housing waiting list, victims of domestic violence, individuals dealing with substance abuse/mental illness issues, Aboriginal people, recent immigrants, people with physical disabilities, and lower-income seniors.

Details on the conditions and administrative procedures for this funding will be provided to you shortly.

Congratulations on this significant accomplishment. The Province of Ontario is pleased that you are able to utilize AHP funding to provide affordable housing in your community.
