Mr. Denis Kelly
Regional Clerk
Regional Municipality of York

Dear Mr. Kelly:

Re: Request to Recognize Administrative Professionals Week

Please consider this request to have Regional Council recognize the week of April 20 to 24, 2009 as Administrative Professionals Week, and Wednesday, April 22, 2009 as Administrative Professionals Day, as established by the International Association of Administrative Professionals (IAAP).

IAAP, which was founded in 1942, is a not-for-profit professional association with approximately 40,000 members and affiliates and nearly 600 chapters worldwide. The York Region Chapter was chartered in 2001 and currently has a roster of 24 active members.

IAAP works in partnership with employers to promote excellence. Members include administrative assistants, executive secretaries, office co-ordinators, information specialists and related administrative professionals – the largest segment of the office workforce. IAAP provides its members with education, networking opportunities, certification and other career-enhancing programs, while also advancing the image of the profession.

We would appreciate if this recognition could take place at the Regional Council Meeting being held on March 26, 2009.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read 'L. Spackman', is written over a faint circular stamp.
