Dear Mr. Tuckey:

Re: Amendment 116 to the Official Plan for the Town of Markham
Rouge North Management Plan Amendment

The Region has reviewed the above-noted amendment, with proposed modifications, as posted on York Region's website on February 28, 2004.

The Amendment should permit the extension of municipal infrastructure (stormwater management, transportation and servicing facilities) through the Rouge Park North Area, subject to the provisions of the Planning Act and the Environmental Assessment Act (e.g. improvements to the York-Durham Boundary Road and facilities to support development of the Federal Airport Lands in the City of Pickering).

Please send a Notice of Decision to the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read 'Kai Yew'.
