**Town of Newmarket**  
**NW Quadrant of Hwy 404 & Mulock Drive**

Dear Mr. Georgis:

The Ministry would like to complete an Order-In-Council for the transfer of "road" as per Section 29, Subsection 4 of the Public Transportation and Highway Improvement Act. In order to do so, MTO will require Council Resolution stating the Region's acceptance of the transfer of the "road" In addition to Council Resolution, MTO will also require a payment of two hundred thousand (\$200,000.00) for the "road" as indicated to Mr. Carmen Caruso in correspondence dated June 14, 2006.

The transfer is required in order to remove the proposed Imperial Oil Site Access and right turn lane from the Ministry's Control Access Highway limits.

I have enclosed for your information the following documentation:

Aerial Photo outlining the transfer area  
 Letter dated June 14, 2006 to Mr. Caruso

If you have any questions or require further clarification, please contact me at the number listed above at your earliest convenience.

Sincerely,

A handwritten signature in black ink, appearing to read 'S Bozic', with a stylized 'S' and 'B'.
