

Feedback on York Region Small Business Enterprise Centre

"I really believe that your ideas, as well as the other mentors really inspired me to think out of the box...I really believe Summer Company helps lot of young people like myself. Thanks." Jessica Payne, Summer Company participant

"Thank you again for the time you spent and the information you provided me with...my venture...The demand for my products has grown significantly." Julius Kay, Aftermath Pies

*"Congratulations to you and your team for putting on a wonderful Bridges to Better Business Conference on November 1. Your day long agenda was packed with relevant information and contacts for the start up and existing small business owner – there was something of interest for everyone. And that is not something that is easily accomplished – I think it's a testament to your understanding of the business market in York Region and what it takes to grow a business in York Region...I found it quite rewarding to hear at your conference the positive comments from the clients that I talked to about your centre and the ongoing support they get from the York Region Small Business Enterprise Centre. Congratulations again for putting on a successful event..."*Ted Northcott, Ministry of Small Business and Entrepreneurship

"...we would like to thank you for contributing to the success of the Career Week activities this year...Clients reported that it was one of the most valuable weeks they have had during their job search! We sincerely thank you for taking the time out of your busy schedule to assist those currently involved in a career transition to give them valuable insights during this difficult time." Staff of the Employment Resource Centre, Newmarket

"Just a short note to express my sincere thanks for all of your wonderful advice. I feel your wise words have put me in the right direction. With much appreciation." Caroline Keane, Intellibez

"I would like to thank you again for meeting with me and discussing the business opportunity that I have been working on. The information you provided me will be invaluable going forward. Fortunately there are resources, as well as yourself, to provide help and direction when needed or people would not know in what direction to be running...Again, thank you for the help..." Wayne Kernohan, York Wireless Solutions
