Notes:

- The table presents the quantity of each material type delivered to a Regional Facility from each Local Municipality.
- The table does not include any quantities delivered by Industrial, Commercial and Institutional establishments.
- The diversion rates shown in the table will differ from those calculated by the Province's Waste Diversion Ontario (WDO) ,which will be released by the WDO later in 2006. The WDO's diversion rates will include allowances for initiatives such as home composting, grasscycling, and other miscellaneous materials that are not handled by Regional facilities.
