Re: Accessibility for Ontarians with Disabilities Act, 2004

This is to acknowledge your letter received on January 31, 2005 submitting a resolution to do with recommendations with respect to the proposed *Accessibility for Ontarians with Disabilities Act, 2004*.

The London City Council has a policy with respect to resolutions from other municipalities directing the City Clerk to acknowledge such resolutions with the advice that the London City Council does not take action on resolutions received from other municipalities, but rather prefers to make its position on given subjects known through the appropriate municipal association or if it deems it necessary to do so, directly to the concerned Minister(s) of the Senior Government(s) involved.
