To Whom It May Concern,

After a discussion at a Trinity United Church Council Meeting regarding the lack of funding for the fifteen incomplete family shelters on the Leeder Place property much concern was voiced regarding the plight of the homeless in York Region.

We would urge that both the local and the regional council make every effort to avoid the abandonment of this project that is presently nearing completion.

Trinity Council feel there is a great need for this type of housing for homeless families.

Thank you for considering our concern.

Sincerely,

Bev and Keith Burgess
Co-chairs of Trinity Council

cc Mayor Tom Taylor
