Mr. Denis Kelly, Regional Clerk
Regional Municipality of York
17250 Yonge Street
Newmarket, ON L3Y 6Z1

Dear Mr. Kelly:

**Re: Item 3 - IES11-011 – York Region I/I Reduction Strategy and Water
Conservation Strategy**

Please be advised that this matter was heard by General Committee at its meeting held on Tuesday, March 1, 2011 and the following recommendation was adopted by Council on Tuesday, March 8, 2011:

THAT Council receive report no. IES11-011; and

THAT Council endorse the recommendations of York Region report titled "Inflow and Infiltration Reduction Strategy" as endorsed by Regional Council on February 17, 2011 and as summarized herein:

THAT through development and endorsement of the Strategy, York Region and the local municipalities commit to:

- Develop and maintain this Strategy including the programs, goals and inter-agency and regulatory reporting requirements for staged reduction of inflow and infiltration over the next 20 years; and
- Recommend to future Councils that they commit funds for inflow and infiltration reduction that is economically justified by the avoidance of future treatment and conveyance costs; and
- Measure wastewater flows before and after carrying out construction/rehabilitation works on sewers and to document inflow and infiltration expenditures and flow reduction measures; and
- Continue to work together in a collaborative manner over the life of the Strategy and to commit the appropriate staffing and financial resources toward implementation of the Strategy based on a business case analysis; and
