DeafBlind Ontario Services Project #2, Regional Municipality of York
**Affordable Housing Program (AHP) – AHP Extension (2009) –
Construction-Ready Rental Housing**

I am pleased to confirm that funding in the amount of \$480,000 for 4 units for persons with disabilities for the DeafBlind Ontario Services Project #2 in the Regional Municipality of York has been conditionally approved under the New Rental Housing component of the AHP Extension (2009) Year 2.

Further details regarding the program requirements and the terms and conditions of this funding will follow shortly. We will work with you on an announcement in accordance with our communications protocol with the federal government.

The AHP Extension (2009) is a two-year initiative to fund new units of affordable housing, while stimulating Ontario's economy. Under this initiative, housing will be provided for Ontario's most vulnerable, including low-income seniors and persons with disabilities.

Congratulations on this significant accomplishment. We look forward to the project proceeding to construction and to the creation of affordable housing. The Province of Ontario is pleased that you are able to utilize AHP funding to provide affordable housing in your community.

Sincerely,

Pam Skinner
Assistant Deputy Minister
Housing Division
