Dear Mr. Webster,

Re: Nobleton Community Plan Report

Municipal staff have reviewed the Nobleton Community development charges options and prepaid development charge agreement report and have some significant concerns relative to the recommendations therein.

In consultation with Slokker Development and our Regional Representative, Mayor Margaret Black, it is our desire that the subject report be deferred to the June 2004 reporting cycle.

In the interim, we would appreciate the coordination of a joint meeting to address our concerns at your earliest convenience.

Yours truly,

Bob Casselman
Chief Administrative Officer
