Subject: York Region Development Charges By-law: Notice of Objection

Mr. Kelly,

On behalf of Vomano Valley Developments Inc., North Valley Developments Ltd and K&K Holdings Ltd. please register formal objections of the York Region Development Charges By-law, and thereby protecting our rights to appeal any decision by the Region on this matter.

We do not support the increase in development charges, nor the accelerated schedule to implement those increased development charges, nor the exclusion of some housing unit types from the pre-payment option.

Should you have any questions please let me know.

Regards,

Augusto R. Nalli, P.Eng.
