Subject: York Region Development Charges By-law: Notice of Objection

Mr. Kelly,

On behalf of our clients, Valley King Developments Limited, King Dufferin Developments CR Inc., King North Developments CR Inc., King Rocks Developments CR Inc., King Green Developments CR Inc., and Jane King Holdings Inc., please register their formal objections to the York Region Development Charges By-law, and thereby protect their rights to appeal any decision by the Region on this matter.

These companies do not support the increase in development charges, nor the accelerated schedule to implement those increased development charges, nor the exclusion of some housing unit types from the pre-payment option.

Thank you.

Ted Nickerson
